

Career Labs Vision

Career Labs helps students find a vision for a successful career and provides connections and training to make their visions possible. We do this by building partnerships between employers, professionals and schools in communities of need to help students succeed in life

Our Program

How You Can Help

How can a student have a dream if they don't know what is possible to dream about? As a Career Labs Corporate Partner, your organization will be a partner to students, schools and parents as an invaluable resource helping students find and achieve their dreams.

Corporate Partner Opportunities

Basic Partnership

- Provide 1 or more Career Lab Workshops per year
- Host 1 or more onsite field trips per year
- Donate to cover basic supplies for 1 school engagement
- Provide employee volunteer time as after school mentors
- Provide High School Internship opportunities

Adopt-a-School

- Basic Partnership services offered to the adopted school
- Adopt-a-Teacher
- Provide employee contacts as subject matter experts
- Help the school with fundraising efforts
- Provide a point of contact for the school and be available
